Attention: COVID-19 Updates for LVO Employees

This afternoon Governor Wolf and the State of Pennsylvania announced restrictions on non-essential business operations in the state. We are in contact with state and local officials, and business operations continue for manufacturing companies at this time.

We are taking proactive measures to maintain a safe working environment for our employees to ensure the continued delivery of trucks to our customers. We are also in contact with other businesses in the Lehigh Valley to monitor the steps other local companies are taking.

Information is changing constantly and we are monitoring the situation closely. We are committed to transparency in our communications and we will provide regular updates via LVO text messaging, the UAW web site, and the LVO Bulldogs Facebook site:

www.facebook.com/groups/lvobulldogs

Sign up to receive important information from LVO via text

LVO has a text message system which will be used to send employees important messages on LVO facility operations during the COVID-19 outbreak. Sign up by texting **lvoupdate** to **474747**. After joining this LVO group, you will automatically receive the information you need to know from LVO via text message.

For employees on site in our facilities this week, please be aware of the following:

Open access through LVO Gates 2 & 3

Employee access through LVO Gates 2 and 3 will be immediately available without need to go through the turnstiles. Please be prepared to show your employee ID Badges to Security personnel who will be stationed at the entry points.
