**The LVO Bulldogs Facebook site is for employees only. To become a member you will need to verify that you are a Mack Trucks / Volvo Group employee.**

**Please Note: At this time Facebook cannot be accessed through the Volvo Group Network. To log on you need to use your own personal device connected outside the Volvo Group Network.**

*Volvo Group IT has temporarily blocked access to Facebook and other social media sites in order to secure enough network capacity to keep our IT network running. This action was taken as a precaution, as more and more employees are working from home and straining network capacity during Volvo Group facility closings due to the COVID-19 Outbreak.*
