IMPORTANT UPDATE: Virtual Meeting for All LVO Employees

Last chance to register for online information session with Rickard Lundberg and Kevin Fronheiser.

Due to the high response rate for this week's online employee update meeting, along with limits on Skype capacity, LVO has now scheduled two meetings to ensure we can accommodate all participants via Skype:

Online Meeting for All **BU Employees**

Thursday, April 30 10:30 a.m. to 11:15 a.m.

Online Meeting for All **NBU, EBU and OBU Employees**

Friday, May 1 10:30 a.m. to 11:15 a.m.

Bargaining Unit employees who do not have a company device, need to provide a personal email so we can send you an invite to join the April 30 virtual meeting. Click the following link to provide your personal email address and SAP# so you can attend the online meeting:

As previously communicated, LVO Plant Manager Rickard Lundberg and UAW Shop Chairman Kevin Fronheiser will cover increased safety measures including **temperature checks when coming on site, face mask requirements**, and redesigned ways of working throughout our facilities to ensure proper social distancing.

You will receive a meeting notice and instructions prior to the meeting.
